MEN'S EXTREME TOURING

3X1 NYLON JACKET WITH ZIP-OUT SOFT SHELL LINER

Outer Shell: Waterproof breathable 400 denier SUPPRATECH rugged oxford nylon technically coated for a softer feel. Venting system, adjustable collar and cuffs. Reflective panels. 2 zippered outer shell pockets lined with brushed cotton for warmth and waterproofed for durability. Lining: Full Thermolite Micro lining. **Included Soft Shell zip-out jacket:** rugged nylon shell with a breathable, windproof WR membrane allowing moisture to escape. Soft polyester fleece lining for added warmth. Can be worn alone or under jackets for extra warmth. (Soft shell also available separately).
